

Product Data Sheet

Product Code: DWD

Issued: July 8, 2005

Environment

VENUE conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. VENUE is, phosphate-free and biodegradable. Containers are recycled wherever possible.

Main Benefits

- ✓ Specially designed for spray/wipe application.
- ✓ Dries without streaking.
- ✓ Automatically dispensed at the correct strength – no guesswork and no waste!
- ✓ Safety in use – colour coded product and bottles make it easy to identify.

Product Use

VENUE is a fast-acting cleaner for glass, stainless steel and chrome surfaces. It removes oil, greasy films, lipstick, finger marks and all other soilage from windows and display cabinets without leaving any filmy streaks. VENUE leaves glass windows clean & sparkling.

VENUE is one of the Agar range of cleaning concentrates – fully effective, economical chemicals for safe, controlled dispensing with a colour coded system.

Dangerous Goods Classification

VENUE is a Class 3 flammable liquid.

U.N. No: 1993	CLASS: 3
PACK GRP: III	HAZCHEM: 3[Y]

Technical Data

Properties

COLOUR – Clear blue-green liquid
ODOUR – Alcohol odour
pH (undiluted) = 12 ± 0.5
pH (at use concentration) = 11 ± 0.5

Application

- Ready-to use solutions are dispensed from the Agar Cleansave Dispenser. This unit provides a dilution of 1:5 automatically.
- Spray a light mist onto the surface then polish dry with a paper towel or lint-free cloth. In the unlikely event that any films or smears remain on the glass, just repeat the application.

Safety Directions

Avoid contact of undiluted product with skin and eyes. Avoid breathing vapour.

First Aid

If poisoning occurs, contact a doctor or Poisons Information Centre (Ph: 131 126). If swallowed, and if more than 15 minutes from a hospital, induce vomiting, preferably using Ipecac Syrup APF. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold open, flood with water for at least 15 minutes and see a doctor.

Agar Cleaning Systems maintains Material Safety Data Sheets (MSDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective MSDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
