

Environment

LAVENDER conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. LAVENDER is non-flammable, phosphate-free and biodegradable. Containers are recycled wherever possible.

Main Benefits

- ✓ LAVENDER has an appealing, popular fragrance.
- ✓ LAVENDER has a strong reodorant action.
- ✓ LAVENDER is a biodegradable detergent.
- ✓ LAVENDER has an odour-masking action which is excellent in problem areas.

Product Use

LAVENDER is a strong odour-masking detergent with the cleaning action needed to remove offensive and putrid soilage matter. It has a lavender perfume and is ideal for washing and mopping contaminated floors and hard surfaces including polished floors, tiles, fittings, glass and walls.

LAVENDER is ideal for use as an air-freshener where a reodorant is required. The perfume in LAVENDER has been selected to provide maximum lingering power.

Technical Data

Properties

COLOUR – Transparent green liquid
ODOUR – Strong lavender perfume
pH = 7 - 8
FOAM – High-foaming cleaning action

Composition

LAVENDER is formulated with premium surfactants which attack and disperse soilage matter and strong residual perfume oils that cling to surfaces and re-odorise throughout the day.

Application

- **Air freshener:**
Dilute 1 part of LAVENDER in 10 parts water and spray high into the room with a hand spraygun.
- **Floors, walls, fittings etc.:**
Use a concentration of 1 part LAVENDER in 50-100 parts water depending on soilage. Do not rinse washed surfaces.
- **Offensive and putrid odours:**
Remove source of odour by flushing, rinsing or mopping with a solution of 1 part LAVENDER in 10 parts water. Do not rinse. For extreme odours, neat LAVENDER may be applied.

Agar Cleaning Systems maintains Material Safety Data Sheets (MSDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective MSDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
