

Product Use

SWEET TALC is a lingering, fresh-scented detergent with a powerful cleaning action that leaves surfaces clean and perfumed with a pleasant baby powder fragrance. It is ideal for washing and mopping all hard surfaces including polished floors, tiled areas, fittings, glass and walls. SWEET TALC is also ideal as an air freshener in a spray bottle.

Main Benefits

- ✓ Has a fresh residual perfume.
- ✓ Is a biodegradable detergent.
- ✓ Has an odour-masking action which is excellent in problem areas.
- ✓ Re-odorises throughout the day.

Environment

SWEET TALC conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. SWEET TALC is non-flammable, phosphate-free and biodegradable. Containers are recycled wherever possible.

Technical Data

Properties

COLOUR – Transparent dark green liquid
ODOUR – Baby powder fragrance
pH = 7.0 - 8.0
FOAM – Moderate foam action

Composition

SWEET TALC is formulated with premium surfactants which attack and disperse soilage matter and strong SWEET TALC extracts that cling to surfaces and re-odorise throughout the day.

Application

- SWEET TALC is especially useful for cleaning problem toilet areas, washrooms and bathrooms. It is also excellent for cleaning kennels and animal enclosures.
- **For general cleaning of floors, walls, glass etc:**
Dilute 1 part SWEET TALC with from 50-100 parts of water, depending on soilage. This is about 2/3 cup per wringer bucket of water.
- **For use as an air freshener:**
Dilute 1 part of SWEET TALC with 10 parts of water and spray high into the room with a hand spraygun.
