

Product Data Sheet

Product Code: WIP

Issued: February 25, 2011

What is Wipe Away?

WIPE AWAY is a powerful, grease-cutting cleaner, which rapidly attacks and removes soilage from hard surfaces. It is formulated for spray and wipe cleaning.

How Does It Work?

WIPE AWAY is a fast-working cleaner which easily attacks and removes soilage from hard surfaces. WIPE AWAY is excellent for cleaning all types of walls, stoves, painted surfaces, shower recesses, table tops, laminex, vinyl and all other hard surfaces.

It is designed to wipe off in one pass with no residues or 'films' being left on the surface. The popular perfume stays on the clean surface to let people know it has been cleaned.

Technical Data

Properties

COLOUR – Clear colourless liquid
ODOUR – Spicy fragrance with good lingering qualities
pH = 12 – 13

Environmental Care

WIPE AWAY conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. WIPE AWAY is non-flammable and biodegradable. WIPE AWAY containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

Agar Cleaning Systems maintains Material Safety Data Sheets (MSDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective MSDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001:2000 "Quality Management Systems – Requirements".

First Certified: 30 April 1996

SAI Certificate No.: QEC7358

Application

- Dilute 1 part WIPE AWAY with from 5 to 20 parts hot water, depending on soilage.
- Spray onto surface being cleaned and wipe off with a damp sponge or cloth.
- Rinse out the sponge or cloth regularly in clean, hot water.
