

Product Data Sheet

Product Code: BGG

Issued: September 4, 2001

Environment

LIFT conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. LIFT is non-flammable, phosphate-free and biodegradable. Containers are recycled wherever possible.

Main Benefits

- ✓ LIFT suspends food residues and rips through fatty films.
- ✓ LIFT is gentle on the hands – can't be beaten for dishwashing.
- ✓ LIFT is economical to use.
- ✓ LIFT has a non-residual fresh lemon perfume.

Product Use

LIFT is a high-foaming, neutral detergent for cleaning dishes, glasses, utensils, cutlery and pots and pans by hand washing in the kitchen sink. LIFT will remove food, grease, protein matter, cooking fats and oils from china, glass and metal surfaces. Its excellent capacity for removing fats and food residues makes LIFT an ideal pot-wash detergent. LIFT works effectively in soft and hard water. LIFT is also excellent for general cleaning where a neutral detergent is required.

Technical Data

Properties

- COLOUR – Transparent, thick green liquid
- ODOUR – Lemon-scented
- pH = 7 ± 0.5 (neutral)
- FOAM – Very high foam level with good stability.

Composition

LIFT is formulated with premium surfactants and foam boosters which attack and disperse soilage matter. It contains a subtle lemon perfume. LIFT is coloured with a food dye. It is non-toxic and non-corrosive.

Application

- **Sink washing of pots, pans and dishes:**
Heavy soilage: Dilute 30mls of LIFT per 5L of hot water. Wash dishes with mop, sponge, pad or brush.
Light soilage: Dilute 15mls of LIFT per 5L of hot water.
- **General cleaning of floors, walls, fittings, motor vehicles and all wettable surfaces:**
Dilute to 1 part LIFT per 100 to 400 parts of warm water, depending on degree of soilage.

Agar Cleaning Systems maintains Material Safety Data Sheets (MSDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective MSDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
